18.2 **Ranking for the overall 2017 Euro Masters Series (EMS)**

The overall Series ranking will be composed by adding the results (position, not points) for each age category at each individual regatta. A separate ranking will be made for each age category for the Laser Radial women.

The winner shall be the competitor with the lowest total score. When there is a tie on the total points between two or more boats, the tie shall be broken in favour of the boat with the most first places, and when any such boats remain tied, the most second places and so on, if necessary for such races as count for total points.
